- Restyling a Little Girls Dress with the Serger

Fabric: All the fabrics I use on *It's Sew Easy TV* come from [Vogue Fabrics](#)

Create a Ladder Stitch for a Hem!

- Set your serger up for a blind hem (check your manual for exact settings).
- Adjust the presser foot for a wider stitch than normal (this is so you can see the stitch on the back side).
- Adjust the stitch length and width for the desired look.
- From the wrong side of the fabric, do a blind stitch all the way around the hemline.
- From the right side of the fabric, insert ribbon in and out of the ladder stitches
