

Season 600 - The Little Black Dress

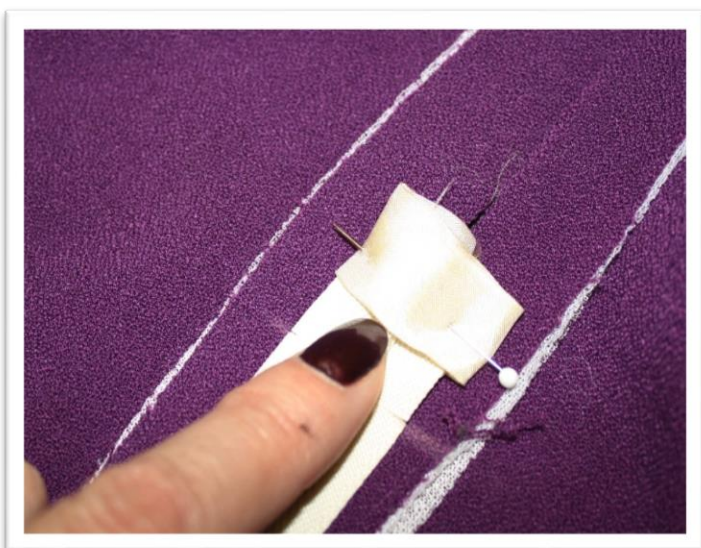

- Altering Zipper Length

Fabric: All the fabrics I use on **It's Sew Easy TV** come from [Vogue Fabrics](#)

Finding a hidden zipper in a coordinating color and the correct length can be very challenging for the home sewer. As a general rule, if you can't find the correct length grab a longer one – it's very easy to shorten it.

- Align the top of the neckline with the top of the zipper.
- Attach the zipper.
- At the bottom of the zipper, cut off the excess length of the zipper.
- Wrap the edge with a lining fabric.
